BIOMETRICS

VOLUME 7: 1951
Numbers 1–4

Published Quarterly by
THE BIOMETRIC SOCIETY
NEW HAVEN, CONN.
1951

STATEMENT OF THE OWNERSHIP, MANAGEMENT, AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233)

Of BIOMETRICS published Quarterly at New Haven, Connecticut.

1. The names and addresses of the publisher, editor, managing editor, and business managers are:

Name	*Address*
Publisher, The Biometric Society	52 Hillhouse Ave., New Haven, Conn.
Editor, Prof. Gertrude Cox	Box 5457, College Station, Raleigh, North Carolina
Managing Editor, Mrs. Sarah P. Carroll	Box 5457, College Station, Raleigh, North Carolina
Business Manager, None.	

2. The owner is: (if owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as that of each individual member, must be given.)

Name	*Address*
The Biometric Society	52 Hillhouse Ave., New Haven, Conn.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

Name	*Address*
None	

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustee, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was: (This information is required from daily, weekly, semiweekly, and triweekly newspapers only.).....

Gertrude M. Cox, Editor

Sworn to and subscribed before me this 11th day of September, 1951
